3

إن الأمر بالمعروف والنهي عن المنكر هو القطب الأعظم في الدين، وهو
المهم الذي ابتعث الله له النبيين أجمعين. ولو طوي بساطه، وأهمل علمه وعمله
لتعطلت النبوة واضمحلت الديانة، وعمت الفسقة، وفشت الضلالة وشاعت
الجهالة. . وقد كان الذي خفنا أن يكون فإنا لله وإنا إليه راجعون.

Imam Ghazali: "Truly, commanding the good and
forbidding the wrong is the greatest support of the
religion. It is the duty for which Allah Most High sent
forth all the Prophets.

If it ceases, is ignored, or not acted upon, then Prophetic
guidance will become ineffectual; religiosity will be
wiped out; lack of concern will become widespread;
misguidance will prevail; and ignorance will spread..."
